

Witkowsky's Web Updates 4 Math

www.scottwitkowsky.com

Intermediate Algebra – Block 1

- On Friday, there will be a test on Skills 20 – 26 (Sections 10.1 – 10.6).

Proficiency Math – Block 3

- On Monday and Tuesday, the class is working on the Bungee Barbie Activity. If they miss class on either of these days, then it is their responsibility to talk with Mr. Witkowsky to arrange a make up time.
- On Wednesday, there will be a test on using the TI-84 Graphing Calculator to plot points and find lines of best fit.

Trigonometry – Block 4

- On Friday, there will be a test on Skills 14 – 16.
- There will also be a pop quiz/test tomorrow during class (if the weather is nice). All students should be able to successfully pass this assessment if they attend class, pay attention to the instructions given, and perform the proper calculations.

LINK OF THE WEEK

HippoCampus

This week's link is used often in Mr. Witkowsky's classes. HippoCampus provides some great multimedia resources and additional practice on many of the concepts covered in class. I hope that you find this site as useful and rewarding.

Announcements

- Wednesday is a delayed start.
- Thanksgiving Break is 11/23 – 11/27
- Grades can be accessed using [Infinite Campus](#). You will need your username (Personal ID #) & password (birthday - mmddyy)
- Assignments and daily warm-up problems can be found at Mr. Witkowsky's homepage.
- Students can bring in one package of (4) AAA Batteries for extra credit. The last day for this is on Friday.
